Accoudoir central

A close-up photograph of a car's interior, specifically the center console area. A black, rectangular storage box is open, revealing a dark interior. The box is mounted on a textured black plastic surface. To the right of the box, there is a small, rectangular panel with four white indicator lights. Further to the right, a red button with the word "PRESS" in white capital letters is visible. The surrounding car interior features black leather upholstery with orange stitching. The text "ML MOTORLAND" is overlaid in the center of the image.
