Rétroviseurs électrique avec clignotants

A close-up photograph of a car's headlight assembly, showing the clear lens and internal LED components. The headlight is mounted on a light-colored car body. A watermark for 'MOTORLAND' is visible across the center of the headlight. The 'M' in the watermark is stylized with a curved line above it. The background is a blurred outdoor scene with a cloudy sky.

Caméra de recul

A close-up photograph of the interior of a car's trunk. The focus is on a black plastic panel with the 'MOTORLAND' logo in the center. The logo consists of a stylized 'ML' inside a curved shape, followed by the word 'MOTORLAND' in a sans-serif font. To the right of the logo is a small, rectangular, recessed button. Below the black panel is a metal latch mechanism and a silver-colored screw. The background shows a blurred view of the sky through the trunk's opening.

Lèves-vitres électriques

Réglage phare + capteurs de stationnement

A close-up photograph of a car's interior air conditioning vent. The vent is made of black plastic with a textured, pebbled surface. It features a central horizontal slider control with a textured grip. To the left of the slider, there is a small icon of three upward-pointing arrows and a square button with an 'X' inside. The vent is surrounded by a black plastic frame. A semi-transparent watermark with the text 'MOTORLAND' and a stylized 'M' logo is centered over the vent.

Eclairage interne

A close-up photograph of a car's driver seat adjustment lever. The lever is black and has a textured, woven fabric cover. The Motorland logo, consisting of a stylized 'M' inside a shield-like shape followed by the word 'MOTORLAND' in capital letters, is printed on the fabric. The lever is positioned horizontally, and its base is attached to the seat's frame. The background shows the seat's upholstery and the car's interior trim.
